

# GARDENING 201:

## HOW TO START AND MANAGE COMMUNITY GARDENS

If you want to get involved in starting a new community garden, join us for this free class!

**Class Scheduled for:**  
**Saturday August 13<sup>th</sup> & 20<sup>th</sup> 9-2pm**

**Community Development and Organizing**  
**Finding and Obtaining Land**  
**Budgeting and Fundraising**  
**Garden Design and Supplies**  
**Managing the Garden**  
**Community Interaction**

A class manual will be provided. This is a great place to meet community members with similar goals in gardening!
